

The Breakfast Club: for teens ages 14 - 18

An ongoing Dialectical Behavioral Therapy group for adolescents and teens designed to help:

- Your child to identify his/her external and internal triggers to stress
- Learn how to manage overwhelming emotions in a healthy way
- Provide education on the difference between self-destructive coping strategies and healthy coping skills
- Learn how to replace self-destructive coping strategies with healthy coping skills
- Learn how to cope in a variety of challenging social situations
- Improve relationships with family and friends!
- Boost the confidence and mood of your child with strengths-based strategies
